MESSAGE FROM FRIENDS OF ST PETER'S

A very warm welcome to all our returning and new parents and pupils from the Friends of St Peter's!

In case you haven't heard about us yet, the Friends of St Peter's meets approximately every other month to discuss and arrange fundraising events and activities. Anyone is welcome to join us, we ask for no fixed commitment of time and you don't need any particular experience or skills, just a good dose of enthusiasm!

Our Friends' mission is to run fun events to raise money for special additional resources for our children to enjoy and to support their learning, and to provide opportunities for our children and for us as parents, grandparents and carers to enjoy social activities together.

We're really looking forward to a new school year and, following on from your responses to our feedback questionnaire last term, have ideas for a few new events and of course many of the popular old ones! We'll let you know in advance about upcoming events and activities, so please keep an eye out for information in the playground, on school notice boards and in your Newsletters.

We're always grateful for any help with our activities and events too, so if you're able to spare a bit of time to lend a hand either before or on the day, please let us know - we'd be really grateful!

Any questions, at any time, please email friendsofstpetersalvescot@gmail.com.

Many thanks,
Friends of St Peter's
