Christmas Bazaar

Our first Christmas Bazaar meeting will be held on Thursday 6th October at 10am and is open for anyone to attend. It is always a really fun and exciting festive event, especially for the children, so we'd love to have lots of helpers to make it a really special afternoon for them.

If you can't make the meeting, but would love to help, please email us on friendsofstpetersalvescot@gmail.com or grab Kerry in the playground.

Closer to the time we'll be asking for donations of toys, books, bric-a-brac, bottles, cakes and prizes, so please keep us in mind if you (or friends and family) are having any clear outs at home over the coming weeks.

Christmas Shoebox Appeal

We are hoping this year to support the Christmas Shoebox Appeal. If you've not been involved with the Shoebox Appeal before, it's very simple to do and will touch the lives of vulnerable children and their families around the world.

The Friends of St Peter's will supply each family with a wrapped shoebox, which you then take home and fill with gifts and practical items for a child. We will also provide information about the sort of things you might like to send, such as pencils, paper, soap and sponge, toothbrush and toothpaste, a toy and sweets. If you'd rather donate single items, that's super too, as we can then fill a St Peter's School box.

Our children really enjoy getting involved with packing the shoeboxes, talking about where it may go and the child who will receive it. If you wish they can even draw a picture to go inside for the child who opens it. Further information, as well as wrapped shoeboxes, will be available soon.
