

### **Harvest Treasure Hunt**

We had a mixed weather day last Sunday for our Harvest Treasure Hunt - from showers to sunshine to heavy downpours and even a rainbow!

A very well done to all those families who made it round the trails and managed to hand in your soggy answer sheets. We do hope in between the rain you managed to see it a little bit of our beautiful countryside and explore Alvescot village.

An extra well done goes to those families who got all the answers correct! Picked at random from these were a fantastic team made up of Elissa, Zosia and Amelie, who were awarded their prizes of chocolates and trophies. Congratulations!

The Harvest Treasure Hunt, as well as being lots of fun, also raised a tremendous £245.81! This will be put to good use buying Interactive Touch Screen.

Thank you for your support and generosity.

### **Christmas Shoeboxes**

Thank you for snapping up your wrapped shoeboxes this week for our T4U Christmas Shoebox appeal. Each class also has their own shoebox, so if you would prefer you can add an item or two to those instead; all donations are very welcome.

We do hope you enjoy filling the shoeboxes over the next few weeks as a family - please remember the children who receive them will appreciate everything they receive and really do get as much joy from their own toothbrush and toothpaste, as much as the toys and sweets!

If you can please bring your shoeboxes back to school on Friday 11th November that would be really appreciated. There will a blessing service at Witney Methodist Church on Monday 14th November, and you are very welcome to attend.

### **Christmas Bazaar**

Just a reminder that the planning for the Christmas Bazaar on Saturday 26th November is already underway. If you would like to volunteer on the day or in advance to help set up, that would be great. We will be putting more information out after half term about things you might like to donate, as well as displaying the 'volunteer board' in the playground - even if you can spend just 30 minutes or an hour on a stall, that would be super (please don't forget that often the children often like helping out with you too!)

### **Fruity Friday and uniform rail**

It is our last Fruity Friday tuck shop before half term this week. These have been a huge success and to date we have raised £56 profit! We'll be chatting to parents this week to see if they would like us to continue Fruity Fridays after half term, please do let us know how you feel.

Our uniform rail remains up in the school reception area. Please feel free take a look at drop off in the mornings - if you'd like to look at other times, please let Mrs Tagliati in the office know first. Please do pop any donations for items into the collection box attached to the rail.

### **Friends of St Peter's Logo Competition**

We are pleased to announce we have a winner for the competition! It was extremely hard judging the entries, as they were all of a super standard and we clearly have very thoughtful and talented artists here at St Peter's.

After a lengthy discussion Mrs King and Mr Waters awarded the winning prize to Annabelle, in Class 2; we think her logo perfectly illustrates the happy, friendly children we have here at St Peter's and how the school is at the heart of our sunny community. The logo will be perfect in our Friends of St Peter's fundraising letters and posters.

We would like to thank everyone for their entries - they will all be displayed on the noticeboard in school after half term so please do come and take a look.

Congratulations, Annabelle!

If you have any questions or would like to volunteer to help, please email [friendsofstpetersalvescot@gmail.com](mailto:friendsofstpetersalvescot@gmail.com)

Thank you

Kerry Lane
