AUTUMN TERM (1) –NEWSLETTER 2

What a lovely start to the new school year it has been with the warm, sunny weather and all the children settling so well in to their new classes. Although we do have some very tired Reception children today, they have done so well in getting to the end of their first full-time week of school. I hope that everyone manages to have a restful weekend so that they come back to school refreshed and ready to learn on Monday!

STUDENT INFORMATION- For parents of children in Years 1 and 2

You will find in your child's bookbag an envelope containing the current details we have on your child. Please can you carefully check through the form and mark up any new information. For this term's census there is an extra question we are required to ask - Country of Birth – please can you fill this in and also provide your email address if blank. Please tick the relevant box in the top right hand corner and return this form to Mrs Tagliati by **Friday 23rd September** so that we can ensure that our records are up to date.

CLUBS

Many thanks for all your responses. As you can imagine there was lots of interest, however we have managed to allocate all children to their first choice club. Please find attached your child's allocation for this term's clubs. If your child is attending the Gardening Club please provide payment of £12.50 by **Monday 19th September** if not already paid. Many thanks.

We are delighted that after the half term break we will also be able to provide Tag-rugby and Dance clubs.

CONVERSION TO A FULL PRIMARY SCHOOL

Many thanks to all those parents who have already responded to our consultation for St Peter's to become a full primary school. We will be publishing responses to many of your questions on the school website in the near future and look forward to seeing you at the consultation meeting on 28th September.

In response to your comments regarding the possibility of St Peter's providing wrap around care, we have produced a questionnaire that we would be very grateful if you could complete and return to school by **Friday 23rd September**. This will help us to determine the need for this provision before we explore further.

REMINDERS

Just a couple of reminders...

- Please do not include sweets or chocolate bars in children's lunch boxes as we try to encourage healthy eating in school
- Please ensure that all younger siblings are supervised at drop-off and pick-up times in order that they remain safe whilst on the school site.
- Please could children wear grey or white socks to school and save their lovely colourful/character socks for home!

Thank you

Yours sincerely,

Mrs Sam King
Headteacher
